

## *Lunch and Learn with FLIR and RJ Lang Sales, Inc.*

You are invited to join us for this FREE special event to learn about infrared technology and how you can use thermal imaging to your advantage on the job every day.

### WHY ATTEND & WHAT YOU'LL LEARN:

- How FLIR cameras see problems the eye alone can't
- How it helps assess equipment and prevent downtime
- Why thermal imagers help make inspections safer and easier
- The rationale for high resolution, laser-focused IR imagery
- How thermal imagers provide spot-on temperature data
- How Wi-Fi connectivity and FLIR Tools streamlines reporting
- Hands-on demonstrations of FLIR cameras and IGM® test tools

### WHEN:

Wednesday, March 28th

AM Session: 9:00 – 12:00 PM  
Catered breakfast: 8:30 AM

### WHERE:

The Fawcett Center

2400 Olentangy River Road  
Columbus, OH 43212
